Dear Harold,

The trip back to Spartanburg went smoothly. I arrived home around 7:30PM. The tire Bill helped me fix did not give me any problems. Thanks for a great three days. I believe it was the most productive of any time I have spent up in Frederick. I have always wanted to get more into the King case, and obtaining that copy of the evidentiary hearings will be indispensable for that, among some of the other documents. I took some time out of all my classes to say a little bit about what I found. And the additional documents on JFK will be helpful. What I need to do now, more than anything else, is organize all that I have in terms of the chapters Dennis & I have in mind at this point.

Enclosed is a copy of the New York Times review of Posner's book. It is even more effusive in its praise than that for Case Closed. I just about got sick when towards the end he poses the rhetorical question: "Doesn't the truth matter anymore in this country?" Doesn't it indeed! !

Regards to Lillian. I hope she is feeling better and is able to get those taxes done soon.

Best,

Gerry
